ABM Greiffenberger donates again for a good cause

For the third time in row, already, ABM Greiffenberger foregoes on Christmas presents for customers and business partners and donates a 4-digit figure to shown relief organizations in the following list instead. Thereby, ABM Greiffenberger Antriebstechnik GmbH takes over responsibility as part of the community and assists where help is really required.

Kindernothilfe e.V.: Hunger and drought on the Horn of Africa

200,000 people are affected by the catastrophic earthquake in the Eastern Turkish province of Van. By our contribution we support the earthquake victims with food, medicine, tents, blankets and propane heaters.

„We are happy to be able to give a little hope, support and a perspective to underprivileged people with our contribution. Also from our customers we only received positive feedback so far for our campaign “donation instead of present”, so Manfred Dollinger (executive at ABM Greiffenberger Antriebstechnik GmbH).
