## Non-Dual Use Declaration

Dear Sirs,

We hereby confirm that, from today's perspective, no export licences for dual-use items are required for any products we place on the market. Furthermore, it is confirmed that all products are placed on the market exclusively via trade / industry (second tier).

All goods are not listed or not relevant as specified in the following export lists:

EC Regulation according to EC Dual-Use Regulation 428/2009 of 05.05.2009.
