## **Declaration REACH - EC No. 1907/2006 Registration, Evaluation, Authorisation and Restriction of Chemical Substances**

Dear customer,

Thank you for your query concerning the REACH regulation (EC No. 1907/2006, last update of candidate list: 07/2019).

We want to provide you with the following information:

We belong to the downstream users as they are defined by the REACH regulation. We do not manufacture or import chemicals or preparations. Therefore any duty to registration it is not necessary for us.

Our products are finished articles. No chemicals or substances will leak from our products during normal operation.

We know our duty within the supply chain. Our suppliers confirm that they also know and comply with their duties according to the REACH regulation. According to our suppliers' declarations, our purchased substances do not contain any substances from the SVHC list.

Our purchased products do not contain any substances included in the candidate list of the European Chemicals Agency (ECHA, last update: 07/2019). The candidate list is available under: <http://echa.europa.eu>

If there will be any changes of our products or our role concerning the REACH regulation, we will attend to our duty and inform you immediately.
